

Each month, you'll choose from a wide variety of wines. Some of the wines are from familiar varieties and appellations, while others are from grapes of which you've never heard or less familiar areas. The wines range from rustic/earthy to lush/fruit forward. Most of the wines are dry, but we'll also feature off-dry wines on occasion. We'll describe the wines, and give food pairing suggestions with each wine.

On the 1st of each month, we'll charge your card on file, and email you a link to that month's wines. Using the online portal, you'll submit your selections, then come get your wines on or after the "pick up" date (Usually a Friday early in the month).

Give it a try! There is no contract. If it's not for you, a single email cancels your membership.

It also makes a great gift for the wine lover in your life ... buy them 3 or 6 months ... they'll love you for it!
